

TIME TO GET  
HEALTHY

**Nuhealth JSC. is a mission-driven company, committed to inspire and cultivate smart and better snacking habits, because we believe that when we eat well, we feel well and we live better. At the core of Nuhealth JSC is a fundamental belief: healthy snacks should not just nourish but also delight. We've challenged the notion that health and taste are mutually exclusive, crafting award-winning snacks that satisfy cravings without compromising well-being. This commitment drives us to create snacks that are not only 'better for diet' but also 'fun', blending nutritional benefits with irresistible flavours. Our portfolio is a testament to our dedication to health and taste. Our range includes collagen protein bars, protein sticks, brown rice cakes, chips, rolls, and zero sugar rice and oats bars, yellow corn chips each crafted to be a 'better for me' choice without compromising on flavour.**
